TERMS AND CONDITIONS OF GRANT

1. The grant will be used exclusively for the purpose for which it is given – meeting the legitimate and reasonable expenses incurred in supporting the Curate in the Parish.
2. The applicant undertakes to inform the ACS immediately of any changes to the details given in the application form.
3. The grant is NOT transferable to any other person. It can only be used for the curate named in this application. A separate and distinct application must be submitted for each proposed recipient.
4. That one Sunday every year is to be designated as 'ACS Sunday' and a sermon will be preached at the main service about the work of the Society and the mission of the Church at home. This date will be given to the Society at the beginning of each year. The parish will appoint an ACS Secretary who will be responsible for distributing magazines and distribution and collection of Lent Boxes and other material. This should not be the Parish Priest but a Lay Person.
5. That some financial contribution be made every year to the Additional Curates Society for its work, by special collection on the 'ACS Sunday' and/or by a PCC Grant. A minimum figure will be suggested on the offer of a grant. The parish are expected to continue its support beyond the period that the grant relates to.
6. Any breach of these terms and conditions will effectively nullify the award of a grant and any grant already paid to the applicant is repayable immediately and in full on demand by the ACS in its absolute discretion.
7. It is agreed and understood that to knowingly provide false information with this application will automatically constitute a breach of the terms and conditions of a grant and clause (6) above will effectively apply immediately. This does not effect any other legal course of action which the ACS may pursue in relation to such false information.
8. It is agreed and understood that at the end of the year the Parish will submit an evaluation report to the ACS. A photograph of the Curate should be sent with the application and updated periodically, all of which may be used for publicity.
