GUIDANCE NOTES

Please read before completing Section 2.

It is important that the information you give in completing this section shows clear evidence that the Parish has carefully considered the implications and responsibilities which attach to hosting a placement.

In box (a) you should, as a minimum, give details about Church Services the placement will be expected to attend and in what capacity. Details of expectations in respect of a Daily Office and other Parish duties should be included.

In box (b) refer to the provisions that will be made for the placement’s mentoring, opportunity for private spiritual reflection on the placement experiences and time available for recreation. Consider who else in the Parish will have a part to play in the placement and how they will be briefed about their role.

In box (c) you should outline how you will monitor the progress of the placement, how you will evaluate together with the placement, the outcomes of the experience both for the individual and the Parish as a whole. Consider who should be involved in the evaluation, and the appropriate format whether formal or informal. Your answer to this question will help you in preparing the final report on the placement for submission to the ACS (see Terms and Conditions of grant).

Please feel free to answer these issues on a separate piece of paper and attach to the application form. From the answers you have given, it should be possible for you to construct a simple statement of Terms and Conditions for the Placement which you could give to the candidate at the commencement of the placement. The Council of ACS would consider this a very positive and worthwhile exercise for Parish and placement candidate alike.

The Parish MUST have a Child Protection Policy.

TERMS AND CONDITIONS OF GRANT

Definitions: - “ACS” and “Society” shall mean the Additional Curates Society.

“Applicant” and “Parish” shall mean the Parish named in section 1a of this application, represented by the persons of the Parish Priest and the Churchwardens.

“Placement” shall mean only the person named in section 1c of this application.

1. The grant will be used exclusively for the purpose for which it is given – meeting the legitimate and reasonable expenses incurred in supporting the placement in the Parish.
2. The applicant undertakes to inform the ACS immediately of any changes to the details given in the application form.
3. The grant is **NOT** transferable to any other person. It can only be used for the placement candidate named in this application. A separate and distinct application must be submitted for each proposed recipient.
4. Any breach of these terms and conditions will effectively nullify the award of a grant and any grant already paid to the applicant is repayable immediately and in full on demand by the ACS in its absolute discretion.
5. It is agreed and understood that to knowingly provide false information with this application will automatically constitute a breach of the terms and conditions of a grant and clause (4) above will effectively apply immediately. This does not effect any other legal course of action which the ACS may pursue in relation to such false information.
6. It is agreed and understood that after the first grant the parish will submit an evaluation report to the ACS, which could be used by us for publicity.
